

# *Dear Community Partner,*

The annual Safe Harbor Evergreens Benefit will take place on November 12, 2019, at the Davis Conference Center in Layton. This year marks the 23rd anniversary of this elegant event, which regularly draws over 600 attendees from across the state. Evergreens is held in collaboration and with support from local organizations, just like yours, to help raise critical funds needed to support the life-changing programs we provide for survivors of domestic and sexual violence.

Safe Harbor Crisis Center is the first and only domestic violence and sexual assault shelter and service provider in Davis County, serving our community for over twenty years. Since 1997, individuals from a diverse economic, social, and religious cross-section of Davis County have sought safety and services from Safe Harbor. A sobering United Nations report released earlier this year revealed that the most dangerous place for women across the globe is in the home. Sadly, Davis County and Utah as a whole are no exceptions. In Utah, 1 in every 3 women will experience domestic violence in their lifetime. In an otherwise peaceful state with generally low crime rates, domestic violence and sexual assault are the only violent crimes that occur more frequently here than the rest of the nation. Interpersonal violence is a problem that persists by hiding in the shadows, behind closed doors. Safe Harbor is working to end the cycle of violence by bringing these issues out into the open, providing trauma-informed care to survivors of violence, and offering education and resources to create a safer community. While awareness of the problem is growing, the need for survivor services is more important than ever. The crucial funds generated by our annual Evergreens Benefit ensure help is there for those in need both now and for the future.

As an Evergreens Benefit event sponsor you will be taking a powerful stand against violence in Davis County. Our Benefit sponsors are recognized for their support - both at Evergreens and throughout the year - as a partner in our mission to end the cycle of violence. In appreciation of your generosity, we are offering a variety of marketing and branding benefits for your organization. All sponsorship levels and related incentives can be found on the "Sponsorships" page within this packet.

At Safe Harbor, we believe that every individual has a right to safety and a life free from violence.

**Will you join us in helping to create a safer community for all?**

Sincerely,

*Kristen Floyd*

People experiencing domestic violence can seek shelter **24-hours a day, seven-days a week**. We offer private, secure rooms with access to the fully equipped kitchen, laundry facilities, and an outdoor playground. In addition to shelter, residents may receive supportive services, group enrollment, food, clothing, and household goods.

## PROTECTIVE ORDERS

Assistance with the **protective order and stalking injunction process** for those experiencing domestic violence, dating violence, sexual assault, or stalking.

## SEXUAL ASSAULT SERVICES

Services for rape or sexual assault survivors, as well as their close family and friends. **Anyone can call the 24-hour crisis line for confidential help (801.444.9161)**. On-going support groups help survivors cope with the aftereffects of assault. New in 2019, Davis Forensic Nurses provide free, comprehensive healthcare for survivors following an assault.

## CHILDREN'S SERVICES

Advocates work with children to help create safety plans and provide tools to overcome the trauma of witnessing violence.

## HOPE HOUSING

**Our Hope Housing Program is expanding in 2019!** Now, in addition to our Transitional Housing secured two- and three- bedroom apartments that offer case management, referrals, and supportive services, we also offer financial assistance and mobile advocacy to help survivors obtain or maintain housing throughout Davis County!

## SUPPORT GROUPS AND CLASSES

**Educational and supportive groups for domestic violence or sexual assault survivors**, as well as groups specifically for children who have been exposed to domestic violence and sexual assault.

## LETHALITY ASSESSMENT

We partner with all county law enforcement agencies to utilize an evidence-based screening tool to identify survivors at high-risk for homicide, helping to save the lives of individuals in danger.

## DIVERSITY SUPPORT

**Services are available in English and Spanish for survivors.** Safe Harbor can also access a language line for other languages. Services are also designed to accommodate the unique needs of individuals who identify as LGBTQ+.

## COMMUNITY ENGAGEMENT & PREVENTION EDUCATION

# HOW CAN YOU SUPPORT SAFE HARBOR AND THE EVERGREENS BENEFIT?

## BECOME AN EVENT SPONSOR

The Evergreens Benefit is Safe Harbor's signature fundraising event held each November for the past 23 years. ## VOLUNTEER FOR THE EVENT

During Evergreens, our incredible volunteers help with everything from event planning, to gathering in-kind donations, to event set-up and take-down. Does your employer or company offer staff paid volunteer hours to help with a local cause or service? **Put together a volunteer team with your family, friends, church group or colleagues to be part of the community-wide effort that makes this event a success!**

## CONSIDER AN IN-KIND DONATION

The Evergreens Benefit seeks in-kind donations year-round to create an experience that attendees will never forget. **Consider donating a silent auction item, a decorated Christmas tree for the live auction, or another live auction item, such as a vacation or experience.**

## BECOME A SAFE HARBOR SUSTAINER

**Safe Harbor Sustainers are individuals and businesses that help us keep all services FREE for survivors by making a regular weekly, monthly, or yearly donation.** Sustainer giving helps us be prepared and plan for client emergencies/unexpected program costs, supports our overall programming, and helps us to continue to expand our services and community outreach.
