SUPPORT TODAY

Safe Harbor Crisis Center proudly serves more than 3,000 survivors of domestic violence and sexual assault each year through our comprehensive programs, including emergency shelter, transitional housing, forensic exams, and advocacy services.

While the journey to healing is often challenging, we are continually strengthened by the unwavering support of our community. We are deeply grateful for the healthcare professionals, law enforcement partners, and local organizations whose collaboration makes our work possible. Though the issue of domestic and sexual violence will not vanish overnight, your continued support is vital to sustaining and expanding the services we provide.

Attend as a guest, sponsor, or individual ticket-holder, we invite you to be part of this unforgettable evening and the critical mission it supports.
